## About Us

Established in 2022, Kingston Steel and Alloys, takes a giant step in the Indian market of industrial steel & pipe fittings. Based out of Mumbai, Maharashtra, we are a reputed manufacturer, supplier and trader of Stainless Steel Coil Hot Rolled, Alloy 20 Forged Fittings, Alloy Steel Bright Bar, Alloy Steel Black Bars and many more items. Our provided assortments are created in accordance with the standards and quality specifications established by the industry and the most recent market trends. In addition, top-notch materials, cutting-edge equipment, and tools are used in the development of these products. These are in great demand because of their numerous applications in the engineering and construction sectors. These are widely praised and acknowledged for having qualities including a prolonged shelf life, durability, robust construction, corrosion resistance, and flawless finish.

Our organization takes great pride in its ethical approach and we make sure to maintain complete transparency in every aspect of our organization. We follow honesty, loyalty and integrity to make sure that our customers trust us completely.
